

STUDY GUIDES

Study guides available in the Deane Law Library by subject and series

Only the most recent edition of each study guide is listed. Earlier editions may also be available. Academic Support also lends from its library of study guides, which includes series not held in the Law Library.

Flashcards and audio CD's are listed only listed by series, they are not listed by subject.

Unless they say "Reserve," call numbers refer to the Classified Collection, i.e. the main stacks.

Use the catalog, <http://libweb.hofstra.edu>, to check availability. Newer editions may have been acquired since this document was last updated, and some materials listed here may have been moved between Classified and Reserve. A full list of the library's study guides can be viewed in the catalog using the subject '[study guides](#).'
