Works-in-progress

I am interested in presenting a paper.
Below is the title and abstract.

I am interested in being a commentator on a paper.
I have indicated my subject matter preferences below.

I am interested in presenting an "incubator" topic.
Below is the title of the project.

Please return this form to both Karla McKanders, at kmckande@utk.edu, and Rick Su, at ricksu@buffalo.edu no later than **June 15, 2009**.

Both full-length papers and the short incubator summaries must be submitted by **July 1, 2009** (though earlier is preferable to give the planning committee time to ask commentators).
